

**Who are our Volunteers?** Discovery Center volunteers are people who care about the welfare of children. Some are adults, some are college students and some are high school students. You must be at least 16 years old to be a volunteer. Volunteers come to us from organizations, colleges and universities, clubs and individuals interested in helping.

**What do Volunteers do?** Volunteers help the museum and special programs run efficiently and enhance the experience for visitors. Below are categories of volunteers that make it possible for you to devote your generosity to The Discovery Center.

**Special Event Volunteers** help with weekday and weekend events or special after hour events and fundraisers.

**Docents** demonstrate hands-on exhibits and help the museum look its best. Gallery Aides help with museum duties, projects, early education programs, school group visits and special programs.

**Special Interest Volunteers** bring to the museum a wide range of resources and talents. Some are storytellers, some are fine artists and others will share their collections. We are always eager to hear new ideas! Please let us know what your specialty is.

## We Love Volunteers!

The Mission of the Discovery Center of the Southern Tier is to develop the intellectual, physical and emotional well-being of the children of the Southern Tier through participatory exhibits and programs. These exhibits engage the senses, challenge the mind and offer a diverse framework for discovery in the arts, sciences and humanities.

A Hands-On  
Museum  
For  
Children
